21275 PROPERTY IMPROVEMENT AND SECURITY SOLUTIONS BUSINESS

A well-known property improvement and security solutions company. This business has built a solid reputation for offering practical solutions to address many important residential and commercial property issues. With 20 years of history, this business has an extensive client base with excellent repeat customers and client referrals, with new business generated through online leads.

Offering an extensive range of services for homes, offices and commercial buildings, this business specialises in window tinting, blinds, shutters and security films. They also extend into security alarms, CCTV, cameras and security doors and have positioned themselves as the 'one-stop shop' in the industry.

Historically operating part-time to suit the owner's lifestyle opens the opportunity up for significant growth by easily increasing the workload and staffing levels. The business can be set up at home or at a more high-profile location to incorporate a customer showroom. By tapping into the lucrative home improvement industry, there is sure to be an abundance of work for years to come. If you are searching for a business that will allow you to be your own boss, have a flexible lifestyle and be in a position where all the hard work has already been done for you, then this business is exactly what you have been looking for!
