22162 EXERCISE PHYSIOLOGY BUSINESS - SOLD

Unfortunately, you have missed this one, but keep looking as we have plenty of other great business for sale - bonzabfs.com.au/businesses-for-sale/

Are you an up-and-coming, or experienced Exercise Physiologist who would like to increase your client base?

Located on the north side of Brisbane, this business has many regular clients that participate in sessions up to three times per week. Most clients claim under DVA, Health Funds, Medicare and support packages including NDIS.

Programs are specific to the individual or more generic in a group setting. Services and treatments include group fitness, strength training, pre and post joint replacement, back pain, physical rehabilitation, balance & falls prevention, to name a few.

The clients have come to love the fun, relaxing and welcoming atmosphere in the group sessions and personalised programs. The results and enjoyment they have experienced encourages them to promote the business to others.

The business brings in significant revenue, giving you the confidence knowing you have purchased a valuable asset that will support you today and for years to come. Together with strong growth potential in numerous areas of the business, this opportunity offers great value. There is currently enough business for you to consider hiring a second staff member.

Start building your fitness and wellness empire today.
