## 22063 DISTRIBUTOR OPPORTUNITIES – BUILDING AND CONSTRUCTION INDUSTRY

If you are in the construction industry and would like a chance to elevate your business growth and offer a point of difference with a superior product. This is the opportunity you have been waiting for.

This solutions-based business specialises in delivering modern, energy-efficient, luxury homes and multi-level townhouses in half the time of traditional construction methods using eco-friendly and sustainable building materials. The forward-thinking manufacturer has exciting opportunities across Australia, and this is your chance to become part of a successful construction revolution that is set for major growth.

Working with an Australian born and internationally patented building system gives you the Builder, the opportunity to build to a higher standard with much faster project delivery. Make more money faster, speed up cash flow, reduce stress, reduce the number of suppliers and trades required on each job.

With the backing of an established and reputable company with years of experience in the industry, ensuring you will have a thriving business for years to come.

### Key Features

- Increase turnover and completed jobs faster with fewer skilled trades
- Limited opportunities available across multiple states
- Superior eco-friendly building solution designed and engineered for a healthier and safer living environment, resistant to fires, cyclones, floods, termites and mould
