22457 AIR CONDITIONING & ELECTRICAL SERVICES COMPANY - SOLD

Unfortunately, you have missed this one, but keep looking as we have plenty of other great businesses for sale - bonzabfs.com.au/businesses-for-sale/

Successfully operating since 1985, this business specialises in the repair and installation of air-conditioning, solar power, and many other electrical services. Recording impressive year-on-year profits and bouncing back strongly after the pandemic, the business is showing no signs of slowing down.

Ideally located just north of the Perth central business district, the business has fantastic visibility with an average of 30,000 vehicles passing per day as well as close proximity to the Morley Train Station which is currently being built. With an established reputation throughout the suburbs of Perth, there is little need for advertising as clients generate the majority of leads through word-of-mouth and repeat business.

Boasting both commercial and residential clients with a wide range of air-conditioning and electrical services, the business always has lucrative work on its books. The business has become the one-stop-shop for air-conditioning and electrical solutions with full after services available.

Everything you need to step into this successful business and continue profiting is included in the sale. With strong revenue and plenty of flexibility, this is a fantastic lifestyle opportunity in one of the fastest-growing cities in Australia!
