22293 SUSTAINABLE ECOMMERCE FASHION BRAND – STRONG NICHE MARKET

Looking for a flexible eCommerce opportunity in a lucrative niche market? This online fashion business is primed and ready to be taken to the next level by a motivated new owner with a large database and an established supply chain already in place!

Specialising in sustainable maternity wear for all stages of pregnancy and beyond, this business has tapped into a growing niche market. The eCommerce brand provides comfortable and stylish apparel that has seen the brand grow rapidly with features from respected publications such as British Vogue Magazine.

Easily operated from home, this business’s stock is located in an efficient warehouse facility in Brisbane that allows the owner to focus on sales and marketing. The online nature of this business provides a working owner with unrivalled flexibility to decide both working hours and location.

Generating sales on a slick website as well as across numerous highly-regarded Australian fashion marketplaces, this business has numerous sources of income with interest from wholesalers increasing as well. For a motivated buyer looking to expand their eCommerce portfolio, there is huge growth potential to expand into international markets with demand for maternity products on the rise!

Key Features:

- Well-established supply chain and warehouse relationships.
- Strong social media presence.
- Sustainable and ethically sourced garments.
