FULLY EQUIPPED & PROFITABLE 24 HOUR GYM - SOLD

Unfortunately, you have missed this one.

Don't miss out on this exciting opportunity to own a profitable 24-hour gym that has been successfully serving the North of Brisbane for more than 12 years! Fully equipped, with a solid reputation, all of the hard setup work has already been done for you!

Positioned in a bustling shopping area, this gym boasts excellent visibility and ample parking, making it a focal point in the local community. Its eye-catching roadside signage has proven to be an exceptional marketing asset, consistently attracting new customers.

Sporting a compelling brand and a dedicated membership base spanning years, this gym presents substantial profit opportunities. It's an ideal venture for an owner-operator, particularly a personal trainer who can tap into revenue from both ongoing 24-hour gym memberships and personal training clients. The gym is strategically located in a high socio-economic region with an impressively low rate of payment defaults, making it an appealing investment prospect.

You can easily access records of consistent year-over-year earnings, and given the brand's establishment in 2010, there's substantial intangible value included in the sales price. The gym operates with a highly effective manual system, allowing swift training for any additional staff. This streamlined approach ensures the gym's seamless and efficient operation, providing the new owner with a turn-key business opportunity.
