Unfortunately, you have missed this one, but keep looking as we have plenty of other great businesses for sale – bonzabfs.com.au/businesses-for-sale/

Here's your chance to own one of Queensland's largest and most reputable picture framers, known both locally and nationwide. Boasting a remarkable reputation for quality craftsmanship and a central Gold Coast location, this profitable business offers an exceptional opportunity for inspiring entrepreneurs and savvy investors alike.

It enjoys a strategic location at the heart of the Gold Coast, with easy access to transport hubs for nationwide shipping and supplies, as well as close proximity to major shopping centres and bustling industrial areas. A small, dedicated team shares a passion for the business, including a reliable administrator who oversees day-to-day operations, ensuring a seamless transition for the new owner.

Having nurtured strong relationships with suppliers, this framing business has acquired exceptional purchasing leverage. One part of the business serves established corporate clients and walk-in customers, while another aspect caters to Interior Designers and homewares stores as well as operating a thriving online retail and wholesale store with an extensive catalogue of artworks and wallpapers. These multiple income streams contribute to the business's overall success.

Furthermore, there are no binding lease commitments, granting the new owner the flexibility to relocate the business if desired. With a motivated new owner, the growth potential is massive. Expand the client base, tap into new markets, and take this already successful venture to new heights!
