PROFITABLE & GROWING VENDING MACHINE SUPPLIER
- SOLD

Unfortunately, you have missed this one.

Presenting an incredible opportunity to own a thriving vending machine business situated in a bustling North Queensland locale! With an excellent reputation and strong customer connections, this business is poised for a new owner to step in and elevate it to new heights.

Strategically positioned within the heart of a thriving industrial hub, this business represents a compelling opportunity fueled by significant demand for its products. The market remains largely untapped, presenting ample room for growth to an enthusiastic owner. Over the years, the business has cultivated an outstanding reputation within the local community. Additionally, the compact geographical layout of the area allows for cost-effective and efficient product distribution, resulting in enhanced profitability.

This business specialises in deploying combination vending machines in both office spaces and warehouses, offering a diverse array of snacks such as chips, chocolates, energy drinks, soft drinks, water, and other delightful treats. With a fleet of 40 vending machines, they cater to a wide spectrum of consumer preferences. Embracing the digital era, 27 of these machines are equipped with EFTPOS capabilities, enabling seamless cashless transactions through credit and debit cards.

Furthermore, the business has forged valuable relationships with vending machine referral companies, ensuring a consistent influx of new expansion prospects. The current owner is offering this profitable business for sale due to relocation, making it an ideal opportunity for a new owner to continue its
