## PROFITABLE BEAUTY & SKIN CARE CLINIC - SOLD

Unfortunately, you have missed this one, but keep looking as we have plenty of other great businesses for sale!

Nestled along the serene Noosa River, this award-winning medical spa, in operation for nearly 30 years, is now available for sale. Boasting a stellar reputation among local clients, this business has become a trusted name in the industry, with cost-free advertising driven by word-of-mouth recommendations. The business offers a diverse range of services, from high-end medical-grade skin treatments to luxurious facials, creating a perfect blend that appeals to a broad and discerning clientele.

Situated in a high-foot-traffic area, catering to both locals and holidaymakers, this beauty clinic enjoys a prime location with a large and easily visible retail space. Positioned in an affluent area, the clinic caters to a local client base with both the time and financial resources to invest in self-care. With a strong online and social media presence, including online booking and an e-commerce store for beauty products, the business is well-positioned in the digital landscape.

Fully staffed with experienced therapists, the spa operates seamlessly under partial management, with the owner playing a minimal role in day-to-day activities. Financially robust, the business exhibits consistent growth each year, but there is untapped potential for further expansion. A more organised advertising and marketing campaign, coupled with promoting the online store, could significantly enhance revenue streams.
