Bonza presents an exceptional opportunity for those seeking to purchase a profitable business in the automotive industry. This well-established mobile automotive paint repair and detailing business has been successfully operating for over two decades.

The primary focus of this business entails visiting car dealerships to assess vehicles for paint damage, offering repair quotes, and executing services such as buffing, polishing, and paint restoration to enhance the vehicles' appearance and marketability. The business's proven track record, built on word-of-mouth referrals and proactive sales efforts, has resulted in consistent sales and net profit.

Servicing clients in the bustling Wangara district of Western Australia with over 30 car dealerships in the area, the business has forged strong client relationships, making it a trusted name in the paint repair industry. Due to its mobile nature, the business is not bound by specific work locations – the business can be operated from anywhere!

Sole owner operated, the seller has enjoyed the benefits of flexible scheduling, the ability to set prices independently, fostering relationships with dealership staff, no franchise fees and a sense of accomplishment and pride in one's work.
