

34508 HYDRAULIC/INDUSTRIAL HOSE MANUFACTURING AND SERVICING BUSINESS - PROFITABLE

Seize the opportunity to own a reputable and profitable business in the hydraulic and industrial sectors! This business specialises in manufacturing and servicing hydraulic and industrial hoses, offering both in-house services and field servicing. They are renowned for their expertise in supplying, repairing, and fitting hydraulic rams, motors, and pumps.

One of the key factors that sets this business apart is its secured national and state supply agreements, ensuring a consistent flow of customers and steady revenue streams. Their diverse range of services includes on-site hose containers for the mining sector, in-house repairs and installations of hydraulic components, and supply and installation of auto-greasing systems.

Conveniently located on the main road of an industrial estate, this business enjoys easy accessibility for clients and suppliers alike. Over the course of 14 years in the industry, the current owners have fine-tuned the operations, making the business highly efficient and profitable. They have built a strong customer base and a solid reputation, making it an attractive investment opportunity for prospective buyers.

As the current owners are now looking to transition and slow down after years of success, this presents an ideal moment for new ownership to step in and continue the legacy of this thriving business. With room for scalability and growth in various sectors within the hydraulic and industrial services market, this opportunity shouldn't be missed.
