Are you ready to dive into the lucrative world of mobile dog grooming? Look no further! Here's your chance to take the leash of a thriving mobile dog grooming business that has been delighting furry friends for over 5 fabulous years across the enchanting landscapes of North Brisbane and the Moreton Bay regions.

Picture this: Two state-of-the-art, fully enclosed, and air-conditioned dog grooming trailers, ready to roll out and pamper pooches rain or shine, right at their very own doorstep! Talk about tail-wagging convenience! But wait, there's more! As the proud new owner, you'll revel in the freedom to roam with complete flexibility in service areas, schedules, and operating hours. Plus, with a robust online presence and lively social media accounts, the reach of this business stretches far beyond those cozy grooming trailers. And let's not forget the cherry on top – a sleek, user-friendly website complete with an integrated online booking platform, making appointment scheduling a breeze for both you and your beloved clients.

Stability? You betcha! This business is the epitome of reliability, boasting a loyal following of regular clients whose wagging tails speak volumes. In fact, demand has been so fetching that new client bookings have been on pause for over 2 years! With operations humming along five days a week sans weekend commitments, you'll find yourself with a calendar chock-full of appointments year-round.

But here's where it gets really exciting: The potential for growth is as boundless as a pup's energy! With multiple enquiries pouring in daily, there's ample room to extend trading hours or even add another groomer/trailer to the pack. And guess what? An online store is already in place, just waiting for your entrepreneurial touch to fetch more revenue!
