

35026 THRIVING ONLINE MAKEUP BUSINESS - TWEEN MARKET

Are you searching for a unique online business opportunity tailored to the tween market? Look no further. This successful e-commerce venture specialises in the manufacturing and sale of natural lip glosses and eyeshadows specifically designed for tweens, and it could be yours.

This business is built around high-quality beauty products, with proprietary formulations for all lip glosses and eyeshadows focusing on natural and organic ingredients. Designed specifically for sensitive young skin, the products are free from nut and gluten-originated oils, making them safe and gentle. Additionally, all products are cruelty-free and proudly manufactured in Australia.

The meticulous selection of ingredients sets this brand apart, ensuring that the products are not only effective but also safe for tweens. Comprehensive documentation of all procedures is available, ensuring a smooth transition for the new owner. Detailed recipes and operational guides will help maintain the consistency and quality that customers love.

This business boasts a robust website with powerful SEO, driving consistent organic traffic and sales. An established social media presence engages a loyal and growing community of tween beauty enthusiasts, further solidifying the brand's market position. Furthermore, existing relationships with wholesale retailers, who place consistent monthly orders, provide a steady stream of revenue.
