35119 PROFITABLE AUTOMOTIVE CLEANING & DETAILING BUSINESS - 30+ YEARS

Here's your chance to own a highly profitable and well-established mobile bus cleaning and detailing business, with an impressive 30-year track record of success! This is a golden opportunity to step into a thriving operation that has built a solid reputation in the industrial sector and enjoys a strong, ongoing partnership with a major contractor. With steady, reliable work coming in year-round, this business offers a fantastic foundation for continued success.

The business operates as a fully mobile service, offering convenience and efficiency by travelling directly to clients' locations. This flexibility has been a game-changer, allowing the business to consistently meet the specific needs of its industrial clientele. The current owner is retiring, providing the perfect opportunity for someone new to take over and enjoy the smooth-running, turnkey operation that's already in place.

But wait, there's more! There's significant untapped potential to grow the business even further. Previously, the business offered detailing services for earthmoving equipment and trucks, and a new owner could easily return to these markets to expand revenue streams. Whether you're looking to keep things running smoothly or take things to the next level, this business has great growth prospects!
