Step into the flourishing swimming pool industry with this well-established, licensed pool construction business, offering an exceptional opportunity in a high-demand market ripe for expansion. Renowned for its cost-efficient, bespoke pool designs and seamless installations, this ready-to-operate business has already earned a stellar reputation for delivering outstanding quality and customer satisfaction.

Specialising in the supply and installation of precast plunge pools alongside the construction of custom freeform concrete pools, the business services a broad region, encompassing North Brisbane, the Sunshine Coast, and extending westward to Toowoomba.

With a reliable agreement in place with a trusted local manufacturer, the business enjoys a consistent pipeline of projects.
