35203 PROFITABLE DOG DAY CARE & RETREAT – REPEAT CUSTOMER BASE

Business Origins

Having been less than satisfied with the level of care for their own dachshund with traditional kennels, the owners decided to create a business to fill this market niche. As a point of difference, it needed to be breed-specific, fully supervised and embedded into the family with a high level of communication with the pet owners.

Business Summary

A unique, thriving and highly regarded business offering bespoke dachshund-only daycare, overnight stays and taxi service. The business is well-established (commenced operation in July 2022) and highly profitable with further opportunity for broader expansion and growth.

Location

The business is currently located on the owner's property in the Blue Mountains, NSW. With a loyal customer base extending from metropolitan Sydney to regional areas and even interstate, the operation can easily be relocated throughout NSW with minimal disruption.

Potential

- Ability to scale the business up for greater revenue and profit by increasing capacity.
- Opportunity for expanding services such as grooming, training, retail products and increased taxi runs to create additional revenue streams.
- Opportunity to operate 52 weeks of the year. The current owners close when they travel (approx. 4-6 weeks per annum).
