35135 ELECTRICAL MAINTENANCE BUSINESS - PROFIT AND CLIENTS

Now is your chance to cash in with **revenue at the \$300k mark and profits over 50%**. Priced aggressively due to the vendor needing a quick sale, this business is perfect for existing electricians wanting to go out on their own or add onto an existing company in order to pick up a large client base.

This well-established electrical maintenance company has been the go-to provider in Melbourne's western suburbs for 14 years. Specialising in **electrical safety inspections, smoke alarm compliance, and ongoing maintenance services**, this business has built a loyal client base of real estate agents who trust and rely on its expertise.

This year has been the business's **best year to date**, reflecting its continued growth and the high demand for its services. With systems, relationships, glowing reviews and a stellar reputation already in place, this is your chance to step into a business that's performing better than ever.
