35355 LONGSTANDING MOBILE FITNESS EQUIPMENT REPAIR BUSINESS

Discover a thriving opportunity in the fitness industry with this well-established mobile repair service, proudly serving both domestic and commercial clients across Western Australia for over 20 years. With a reputation built on friendly and reliable service, this business has become synonymous with quality maintenance solutions for all types of fitness equipment.

Renowned for its expertise in on-site repairs and maintenance, the service caters to an extensive customer base of 15,000 satisfied clients. Whether it's fault investigations or comprehensive commercial maintenance programs, customers trust this operation to keep their gym equipment running smoothly. The ability to travel locally and service remote mine sites adds significant value to the offering.

Operating from a fully mobile setup allows complete control over scheduling while providing flexibility, which is rare in the industry. This one-man operation thrives on daily challenges ranging from gym cable replacements to treadmill deck installations—ensuring no two days are ever alike.

The brand has established itself nationally after successfully running retail stores and importing proprietary fitness equipment lines. Its strong online presence is currently being upgraded to better showcase services offered while enhancing customer engagement through digital platforms.

Key Features:

- Established for over 20 years with a solid reputation in Western Australia.
- Extensive experience covering onsite repairs including fault investigations.
- Mobile operation allowing full control over schedule and time management.
