35359 EXCEPTIONAL AUTOMOTIVE BUSINESS OPPORTUNITY

An exceptional opportunity has emerged for aspiring entrepreneurs and automotive enthusiasts with the sale of a thriving independent automotive business in the picturesque Coffs Harbour. Established in 2012, this business has grown to become one of the largest independent automotive service providers on the Coffs Coast, supported by a dedicated team of seven staff members committed to delivering outstanding customer experiences.

Strategically located in a high-traffic area, the business enjoys strong visibility and easy customer access. Its proximity to cafes and amenities enhances convenience, while the absence of direct competition provides a significant advantage.

The full-service centre offers a comprehensive range of automotive solutions, including logbook servicing, registration inspections, tyre fitting, air-conditioning servicing, and brake repairs. Additionally, the business specialises in selling and fitting high-quality 4WD parts such as bullbars, suspension upgrades, and recovery equipment. Exclusive dealership agreements with leading brands facilitate wholesale sales to various retailers, including new car dealers and smash repairers, presenting immense potential for growth in both business-to-consumer (B2C) and business-to-business (B2B) markets.

A strong online presence further supports the business, with an engaging website showcasing products and regular social media updates fostering customer interaction across Australia. Recent initiatives aimed at soliciting post-service reviews have enhanced the business's reputation, resulting in increased positive feedback on Google.
