35381 THRIVING MOBILE CAFE – UNIQUE OPPORTUNITY WITH GROWTH POTENTIAL

Step into a unique and well-established takeaway cafe that operates from a beautifully restored vintage food trailer. With a strong reputation and a loyal customer base, this business offers an incredible opportunity for a new owner to build on its success.

Operating 6 hours a day, Monday to Friday, it generates steady revenue within limited hours, with significant potential for growth by expanding to weekends and tapping into the increased foot traffic from nearby tourist hotspots.

The cafe stands out with its distinctive vintage setup, creating an inviting atmosphere that not only attracts regular customers but also encourages social media engagement and word-of-mouth marketing. Serving high-quality coffee made from an exclusive brand of beans and freshly baked muffins throughout the morning, it has built a reputation for excellence and consistency that keeps patrons coming back for more.

A turnkey opportunity, this business comes fully equipped with everything needed for smooth and efficient operations. The sale includes a commercial coffee machine, two grinders, a freezer, a three-door commercial glass fridge, an oven with a ventilation system, a beverage fridge, a pie warmer, an electric griddle, a cold display unit, two POS iPads, an EFTPOS terminal, and three CCTV cameras for added security. The trailer itself is in excellent condition, allowing the new owner to hit the ground running from day one.

Beyond its current location, this business has the flexibility to expand by attending local events, markets, and festivals, offering even greater potential for revenue growth. Whether you're a coffee enthusiast looking to own your first cafe
