35214 PROFITABLE LEAK DETECTION BUSINESS - 17 YEARS OF SUCCESS!

Looking for a rock-solid business with a stellar reputation and a touch of excitement? This highly successful and long-established leak detection business has been expertly pinpointing leaks for over 17 years, serving Brisbane, the Gold Coast, Northern NSW, and beyond.

Utilising state-of-the-art, non-invasive techniques with unmatched precision, this business has become the trusted choice for identifying leaks in residential and commercial pipelines, fire service mains, council water systems, commercial pools, and even theme parks! But it doesn't stop there—the business delivers detailed leak detection reports and also provides repair services, ensuring a complete solution for customers. Whether it's tackling roof leaks, water ingress issues, or escape of liquid insurance claims, this business is primed for strong revenue generation with ongoing demand across multiple industries.

Operating across a vast service area, there's significant potential to expand into new regions to the west and south, further increasing profitability. A dedicated and highly skilled team of long-term employees ensures smooth operations, and with the business run from a home office, it offers the perfect combination of financial success and lifestyle flexibility.

Renowned for its reliability, expertise, and strong industry relationships, the business enjoys a steady stream of repeat clients, including real estate agencies, homeowners, body corporates, plumbers, and insurance providers. Add to that a top-ranking presence on Google, glowing customer reviews, and an excellent reputation that drives word-of-mouth referrals, and you've got an incredible opportunity to step into a thriving, in-demand business with unlimited growth potential!
