

Albany Creek

35397 PROFITABLE PLUMBING & DRAINAGE BUSINESS - STRONG CLIENT BASE

Successfully operating for 20 years, this well-established business provides expert plumbing and drainage services to a broad client base, including private businesses, public sector organisations, and educational institutions. From residential maintenance to large-scale commercial and institutional projects, the company has built a strong reputation for delivering reliable solutions.

Operating from a strategically located facility with easy access to major transport routes, the business ensures efficient service across a wide geographic area.

Long-standing relationships with key clients, including ongoing service agreements, have contributed to consistent revenue streams. The business is supported by a skilled team, including an office manager who oversees daily operations and administration, along with experienced tradespeople and apprentices.

With a solid financial foundation, this business presents excellent growth opportunities, particularly in expanding domestic services. A new owner can leverage its established reputation and operational efficiency to further develop untapped market potential.

Key Features:

- Established reputation within B2B sector servicing diverse clientele.
- Ongoing contracts providing stable income from government departments.
- Strong operational framework allowing seamless transition for new ownership.
- Opportunity to expand into untapped markets such as private housing.
- Potential growth through enhanced online presence.

20 years of successful operation
