35445 ESTABLISHED ONLINE STORE – CHILDREN'S EDUCATIONAL PRODUCTS

Looking for a rewarding opportunity that blends creativity and education? This home-based business specialises in handmade children's learning products, offering a fulfilling way to generate income while supporting young minds.

This well-established e-commerce venture creates high-quality educational items, including puzzles, and flashcards. With a strong online presence across social media platforms and an existing Shopify and Etsy store, it has an accessible customer base and room to grow.

Currently operated by a single owner, the business runs efficiently without the need for additional staff, ensuring a personal touch in every handcrafted product. Designed to inspire learning through play, these thoughtfully made items appeal to parents seeking quality educational tools for their children.

With a solid foundation already in place and increasing demand for engaging home-learning resources, this venture offers significant potential for expansion and profitability.

Key Features:

This is a home-based operation allowing flexibility in work-life balance.

Handmade products are crafted with passion ensuring each item is special.

Established online platforms facilitate easy access to customers nationwide.

Strong social media following enhances visibility and customer engagement.

Take advantage of this remarkable opportunity where creativity meets commerce! To learn more about how you can step into this delightful world of education-focused products complete an online enquiry now to receive your confidentiality agreement.
