## 33153 ESTEEMED COSMETIC TATTOO TRAINING ORGANISATION

Attention aspiring entrepreneurs and beauty industry enthusiasts! This is your opportunity to establish yourself in the highly profitable cosmetic tattooing industry! With an impressive 15-year track record, this prestigious institution specialising in cosmetic tattooing training stands as a symbol of excellence.

Offering extensive training programs tailored for both beginners and advanced students, the institution covers a diverse array of procedures such as eyebrow, eyeliner, lip, areola, and scar camouflage treatments. Every instructor at this esteemed establishment holds Government Accreditation and continually refines their expertise by staying abreast of the latest industry trends and techniques. Furthermore, the training facility's location is strategically chosen, offering convenient all-day street parking and easy accessibility via train and bus routes.

Beyond training, the business boasts a loyal client base of approximately 2,000 clients/models, ensuring a steady stream of returning customers. Additionally, it operates a rental program where treatment beds are hired at a daily rate, attracting several repeat clients. The facility also provides full venue hire for training days, with regular bookings from skin camouflage training, SMP training, and areola training. This creates additional revenue streams and enhances the institution's reputation as a hub for industry professionals.

What distinguishes this training organisation is its unwavering dedication to delivering a personalised and intimate learning experience. In contrast to larger class sizes that can leave students feeling adrift, this boutique institution maintains an enviable student-to-trainer ratio of 2:1, ensuring that each learner receives individualised attention and guidance. This cultivates an environment conducive to personal growth and success. Notably, in addition to local training, you'll be able to continue hosting International and National Master Training
