35455 PROFITABLE FACILITY MANAGEMENT BUSINESS - HIGH DEMAND

This thriving facility management business has built a solid reputation as a trusted partner for commercial clients across various industries. Offering a comprehensive range of services, including cleaning, maintenance, renovations, line marking, and air conditioning installations, the business is well-positioned to cater to the diverse needs of businesses nationwide.

With a strong foundation of word-of-mouth referrals and a track record of delivering high-quality service, this business presents an excellent opportunity for growth. Expanding its online presence and implementing targeted marketing strategies could further enhance its reach and attract new contracts.

Operating from a strategically located office, the business efficiently manages projects across the country. The streamlined operational model requires minimal owner involvement, with trained subcontractors available to handle specialised tasks. For a hands-on owner, there is potential to increase profits by taking on additional work directly.

Key Features:

Highly profitable with impressive margins due to low overheads.

Comprehensive range of services including cleaning, maintenance, renovations and installation work.

Established client base consisting mainly of B2B customers within various industries.

Efficiently managed by an experienced owner-manager supported by two administrative staff members.

Strong potential for growth through increased online visibility and marketing efforts.
