35460 EXCEPTIONAL APPRENTICESHIP LABOUR HIRE OPPORTUNITY

An extraordinary opportunity has emerged for astute entrepreneurs and industry professionals as a unique apprenticeship labour hire business is now available. Operating across the eastern seaboard from Victoria to Queensland, this business stands out with its innovative model that employs and places apprentices with host employers on flexible contract arrangements ranging from one week to ongoing placements.

Strategically located within an area known for its vibrant economy, this business benefits from high visibility and accessibility. The company prides itself on providing clients with a cost-effective workforce solution while eliminating the complexities associated with managing apprentices or being tied into lengthy training contracts. Established connections across various sectors ensure a steady stream of growth opportunities.

The current management team takes great pride in their work—dedicated to supporting apprentices throughout their journey by addressing day-to-day issues and facilitating trade school requirements. Their commitment to quality service has fostered strong relationships within both B2C (business-to-consumer) and B2B (business-to-business) markets, leading to consistent profitability even during challenging times.

A key advantage of this business lies in its established EBA agreements, granting access to major sites. Key partnerships have been cultivated over time and provide ample opportunities for expansion into new markets or sectors. The foundation laid here offers significant potential for anyone looking to step into a growing sector at the forefront of innovation.
