35505 PROFITABLE ELECTRICAL BUSINESS - LOYAL CLIENTS & GROWTH POTENTIAL

An exciting opportunity awaits aspiring entrepreneurs or service-driven individuals to step into a well-established electrical contracting business with a strong reputation for quality workmanship and excellent customer service. This business specialises in residential maintenance work—ranging from minor installations to full renovations—tailoring solutions to meet the unique needs of every customer.

Located in a growing and highly accessible suburb in the southern Perth region, the business benefits from consistent local demand and excellent word-of-mouth referrals. Known for its streamlined operations, the business ensures a professional experience from the initial enquiry to job completion and follow-up—helping foster long-term client relationships and a steady stream of repeat business.

The business is currently operated by a skilled tradesperson who manages all on-site work, with the support of a virtual assistant handling scheduling and phone enquiries. The systems in place allow for efficiency, smooth communication, and consistent growth. While the business has intentionally remained small and owner-operated, there is clear potential for expansion—especially by boosting its online presence and digital marketing efforts.

This is an ideal opportunity for someone passionate about trades and community service, looking to enter a reliable and rewarding industry with room to grow. Whether you're looking to go out on your own or expand an existing operation, this business offers a turnkey solution with a solid foundation for future success.

Key features:

- Well-established residential electrical business with strong local reputation and loyal repeat client base.
- Streamlined systems ensure efficient scheduling, job management, and exceptional customer service experience.
