21285 PROFITABLE A/C AND VENTILATION DUCT MANUFACTURE - SOLD

Unfortunately, you have missed this one, but keep looking as we have plenty of other great business for sale - bonzabfs.com.au/businesses-for-sale/

Established for more than 25 years, this profitable business specialises in the manufacturing of ducting products for air-conditioning and ventilation units. With a client base consisting of commercial contractors, builders, body corporates and the domestic marketplace; this business's long history has created a strong, loyal customer base.

Extending the client reach and providing extra revenue, this business completes steel fabrication works and welding jobs for various needs.

The factory is conveniently located in an industrial estate on the southern end of the Gold Coast, and this location provides convenient access to the motorway for deliveries. A modern style factory with well-maintained equipment and the open-plan layout is ideal for clients to see first and the high quality of workmanship created.

The ongoing development in southeast Queensland will ensure there is no shortage of work for years to come. All the hard work has already been done building a great brand so, step in and capitalise on this business's excellent reputation and continue on the same success.
